

BIO

OKAY TK is a talented charismatic individual who takes a unique approach to music.

TK has won and performed in competitions on the national stage many times. He also has worked with reputable corporate clientele such as Nike, and Red Bull.

Having the opportunity to tour often. TK has been able to engage new audiences, polish his sound and cultivate his brand.

His performances are all about connecting with the listeners. He does this through technical ability, high-energy release, uplifting live remixes, and melodies. This is also transparent with the music and mixes he releases.

Find out more and let the music tell you the rest of this story.
